SECTION 1. AMENDMENT. Subsection 6 of section 39-03.1-01 of the North Dakota Century Code is amended and reenacted as follows:

6. "Salary" means the actual dollar compensation, excluding any bonus or overtime, or expense allowance, paid to or for a contributor for the contributor's services.

SECTION 2. AMENDMENT. Section 39-03.1-10.3 of the North Dakota Century Code is amended and reenacted as follows:

39-03.1-10.3. Military service under the Uniformed Services Employment and Reemployment Rights Act - Member retirement credit.

A member reemployed under the Uniformed Services Employment and Reemployment Rights Act of 1994, as amended [Pub. L. 103-353; 108 Stat. 3150; 38 U.S.C. 4301-4333], is entitled to receive retirement credit for the period of qualified military service. The required contribution for the credit, including payment for retiree health benefits, must be made in the same manner and by the same party as would have been made had the employee been continuously employed. If the salary the member would have received during the period of service is not reasonably certain, the member's average rate of compensation during the twelve-month period immediately preceding the member's period of service or, if shorter, the period of employment immediately preceding that period, times the number of months of credit being purchased must be used. Employees must be allowed up to three times the period of military service or five years, whichever is less, to make any required payments. This provision applies to all qualifying periods of military service since October 1, 1994. Effective for years after December 31, 2008, compensation for purposes of Internal Revenue Code section 415 [26 U.S.C. 415], as amended, includes military differential wage payments, as defined in Internal Revenue Code section 3401(h) [26 U.S.C. 3401(h)], as amended. Any payments made by the member to receive qualifying credit inconsistent with this provision must be refunded. Employees shall make application to the employer for credit and provide a DD Form 214 to verify service. After December 31, 2006, if a participating member dies while performing qualified military service, as defined in section 414(u)(5) of the Internal Revenue Code [26 U.S.C. 414(u)(5)], as amended, the deceased member's beneficiaries are entitled to any death benefits, other than credit for years of service for purposes of benefits, which would have been provided under the plan if the participating member had resumed employment and then terminated employment on account of death. The period of that member's qualified military service is treated as vesting service under the plan.

SECTION 3. AMENDMENT. Section 39-03.1-11.2 of the North Dakota Century Code is amended and reenacted as follows:

39-03.1-11.2. Internal Revenue Code compliance.

The board shall administer the plan in compliance with the following sections of the Internal Revenue Code, as amended, as it applies for governmental plans.

1. Section 415, including the defined benefit dollar limitation under section 415(b)(1)(A) of the Internal Revenue Code.
 - a. The defined benefit dollar limitation under section 415(b)(1)(A) of the Internal Revenue Code, as approved by the legislative assembly, must be adjusted under section 415(d) of the Internal Revenue Code, effective January first of each year following a regular legislative session. The adjustment of the defined benefit dollar limitation under section 415(d) applies to participating members who have had a separation from employment, but that member's benefit payments may not reflect the adjusted limit prior to January first of the calendar year in which the adjustment applies.
 - b. If a participating member's benefit is increased by plan amendment after the commencement of benefit payments, the member's annual benefit may not exceed the defined benefit dollar limitation under section 415(b)(1)(A) of the Internal Revenue Code, as adjusted under section 415(d) for the calendar year in which the increased benefit is payable.
 - c. If a participating member is, or ever has been, a participant in another defined benefit plan maintained by the employer, the sum of the participant's annual benefits from all the plans may not exceed the defined benefit dollar limitation under section 415(b)(1)(A) of the Internal Revenue Code. If the participating member's employer-provided benefits under all such defined benefit plans would exceed the defined benefit dollar limitation, the benefit must be reduced to comply with section 415 of the Internal Revenue Code. This reduction must be made pro rata between the plans, in proportion to the participating member's service in each plan.
2. The minimum distribution rules under section 401(a)(9) of the Internal Revenue Code, including the incidental death benefit requirements under section 401(a)(9)(G), and the regulations issued under that provision to the extent applicable to governmental plans. Accordingly, benefits must be distributed or begin to be distributed no later than a member's required beginning date, and the required minimum distribution rules override any inconsistent provision of this chapter. A member's required beginning date is April first of the calendar year following the later of the calendar year in which the member attains age seventy and one-half or terminates employment.
3. The annual compensation limitation under section 401(a)(17) of the Internal Revenue Code, as adjusted for cost-of-living increases under section 401(a)(17)(B).
4. The rollover rules under section 401(a)(31) of the Internal Revenue Code. Accordingly, a distributee may elect to have an eligible rollover distribution, as defined in section 402(c)(4) of the Internal Revenue Code, paid in a direct rollover to an eligible retirement plan, as defined in section 402(c)(8)(B) of the Internal Revenue Code, specified by the distributee.
5. If the plan of retirement benefits set forth in this chapter is terminated or discontinued, the rights of all affected participating members to accrued retirement benefits under this chapter as of the date of termination or discontinuance is nonforfeitable, to the extent then funded.

SECTION 4. AMENDMENT. Subsection 3 of section 39-03.1-14.1 of the North Dakota Century Code is amended and reenacted as follows:

3. Pursuant to rules adopted by the board, a member who has service credit in the system and in any of the alternate plans described in subdivision a or b of subsection 1 is entitled to benefits

under this chapter. The employee may elect to have benefits calculated using the benefit formula in section 39-03.1-11 under either of the following calculation methods:

- a. ~~By using the final average of the highest salary received by the member for any thirty-six months employed during the last one hundred twenty months of employment in the highway patrolmen's retirement system as calculated in section 39-03.1-11.~~ If the participating member has worked for less than thirty-six months at retirement, the final average salary is the average salary for the total months of employment.
- b. ~~Using the final average of the highest salary received by the member for any thirty-six months during the last one hundred twenty months of employment as calculated in section 39-03.1-11,~~ with service credit not to exceed one month in any month when combined with the service credit earned in the alternate retirement system.

The board shall calculate benefits for an employee under this subsection by using only those years of service employment earned under this chapter.

SECTION 5. AMENDMENT. Subsection 1 of section 54-52-05 of the North Dakota Century Code is amended and reenacted as follows:

1. ~~Every eligible governmental unit participating political subdivision employee concurring in, at the time the political subdivision joins the plan must so state in writing if the employee concurs in the plan and all future eligible employees of the participating political subdivision are participating members in the plan and must be enrolled in the plan within the first month of employment. Except as otherwise provided by law, every other eligible governmental unit employee of a participating governmental unit is a participating member in the plan and must be enrolled in the plan within the first month of employment.~~ An employee who was not enrolled in the retirement system when eligible to participate must be enrolled immediately upon notice of the employee's eligibility, unless the employee waives in writing the employee's right to participate for the previous time of eligibility, to avoid contributing to the fund for past service. An employee who is eligible for normal retirement who accepts a retirement benefit under this chapter and who subsequently becomes employed with a participating employer other than the employer with which the employee was employed at the time the employee retired under this chapter may, before ~~reenrolling~~ being reenrolled in the retirement plan within the first month of employment, elect to permanently waive future participation in the retirement plan and the retiree health program and maintain that employee's retirement status. An employee making this election is not required to make any future employee contributions to the public employees retirement system nor is the employee's employer required to make any further contributions on behalf of that employee.

SECTION 6. AMENDMENT. Subsection 3 of section 54-52-17 of the North Dakota Century Code is amended and reenacted as follows:

3. Retirement dates are defined as follows:
 - a. Normal retirement date, except for a national guard security officer or firefighter or a peace officer or correctional officer employed by the bureau of criminal investigation or by a political subdivision, is:
 - (1) The first day of the month next following the month in which the member attains the age of sixty-five years; or

 - b. Normal retirement date for a national guard security officer or firefighter is the first day of the month next following the month in which the national guard security officer or

firefighter attains the age of fifty-five years and has completed at least three eligible years of employment as a national guard security officer or firefighter.

- c. Normal retirement date for a peace officer or correctional officer employed by a political subdivision is:
 - (1) The first day of the month next following the month in which the peace officer or correctional officer attains the age of fifty-five years and has completed at least three eligible years of employment as a peace officer or correctional officer; or
 - (2) When the peace officer or correctional officer has a combined total of years of service credit and years of age equal to eighty-five and has not received a retirement benefit under this chapter.
- d. Normal retirement date for a peace officer employed by the bureau of criminal investigation is:

- e. Postponed retirement date is the first day of the month next following the month in which the member, on or after July 1, 1977, actually severs or has severed the member's employment after reaching the normal retirement date.
- f. A member is eligible to receive disability retirement benefits only if the member:
 - (1) Became disabled during the period of eligible employment; and
 - (2) Applies for disability retirement benefits within twelve months of the date the member terminates employment.

A member is eligible to continue to receive disability benefits as long as the permanent and total disability continues and the member submits the necessary documentation and

undergoes medical testing required by the board, or for as long as the member participates in a rehabilitation program required by the board, or both. If the board determines that a member no longer meets the eligibility definition, the board may discontinue the disability retirement benefit. The board may pay the cost of any medical testing or rehabilitation services it deems necessary and these payments are appropriated from the retirement fund for those purposes.
